WORLD SERIES CHAMPIONS
1985

Royals Stadium

Recognized throughout baseball as one of the game's most beautiful ballparks, Royals Stadium is 14-years old in 1986.

More than 22 million people have visited Royals Stadium since it opened in 1973, with attendance topping the 2 million mark in 5 of the last 8 campaigns.

The stadium opened April 10, 1973 with the Royals defeating Texas 12-1 before 39,464 fans. Since then, many exciting games have been contested here, including the 1973 All-Star game, two no-hitters, play-off games in 1976, 77, 78, 80, 81, 84 and 85 and seven World Series contests in 1980 and 1985.

Royals Stadium features a \$1.7 million Astro Turf-8 Drainthru playing surface (manufactured by Monsanto) which covers both the infield and outfield, a 12-story high scoreboard and 322-foot wide water spectacular. The scoreboard contains 16,320 light bulbs, most of them on the 40-foot wide, 60 foot high screen. The water spectacular runs from centerfield to the rightfield corner and is the largest privately funded fountain in the world.

Four circular ramps and 4 escalators make all sections easy to reach. 20,316 of the 40,625 seats are on the lower level with 2,487 on the club level (even with the press facilities) and 17,822 on the upper level.

Media representatives work in the air conditioned comfort of a 2-level press box. The upper level includes 7 broadcasting booths with the lower section containing working space for the print media. There are also field and press level photographer and television camera positions.

Ewing Kauffman

Co-Owner

Chairman of the Board

There is something about a challenge that brings out the best in Royals' co-owner, Ewing Kauffman.

A daring and tireless man who purchased the Kansas City Royals in 1968, Kauffman has retained 51 percent of the club and serves as Chairman of the Board since selling 49 percent of the franchise to Avron Fogelman on May 17, 1983.

Mr. K., as he is known to associates, devotes a good part of his time to Marion Laboratories, Inc., the Kansas City-based pharmaceutical firm which he founded a quarter of a century ago. Today he guides the company in his daily advisory role as chairman of the board and chief executive officer. It was while building Marion to more than \$200 million annual volume that he attracted national recognition for his ability to motivate those around him, a philosophy based upon the concept of sharing with Marion people the profits which they help generate.

As to the Royals, Kauffman leaves day-to-day decisions to his executives. He is kept advised of developments and devotes much time to specific American League and Major League projects.

He sponsored formation of the Royal Lancers, a group of business men and women who have consistently kept Kansas City ahead of league leaders in season ticket sales. He has addressed numerous organizations on the value of starting and coordinating similar organizations.

Kauffman's life began on a farm near Garden City, Mo., 60 miles southeast of Kansas City. The family moved to Kansas City when he was a youngster. He attended high school and junior college locally, then spent four years in the Navy.

After a brief stint as a salesman for a pharmaceutical firm, he began in 1950 what was to become Marion Laboratories in the basement of the modest family home in Kansas City. The enterprise grew rapidly as a result of the intense personal efforts of its young owner, combining his unusual sales skills with his talent for motivating others.

He and Mrs. K. funded and started Kansas City's model CPR program that trained nearly 200,000 Kansas Citians in the life-saving technique.

Kauffman's business and sports leadership have brought numerous honors to the Royals. The Kansas City Press Club voted him Man-of-the-Year in 1973. He was the "Mr. Baseball" honoree at the 1976 Kansas City Baseball Awards Dinner, and later that year was inducted into the Missouri Sports Hall-of-Fame.

Through the personal efforts of Mr. Kauffman and his wife Muriel, a community-wide drug awareness and prevention program was launched in April of 1984. Called Project Star, which stands for Students Taught Awareness and Resistance, the program is designed to help young people anticipate influences that could tempt them to get involved with drugs. In addition, the program assists youth in developing self-management techniques and the skill to resist the temptation of drug usage. The focus of Project Star is on young people in their pre- and early-teens.

Avron Fogelman

Co-Owner

Vice-Chairman of the Board

It is more than coincidental that where Avron Fogelman goes, success follows.

Fogelman became co-owner of the Royals on May 17, 1983, when he purchased 49 percent of the club.

Mr. Fogelman serves on the American League's Board of Directors.

A product of Memphis, Tennessee, where he has established an indelible mark as a businessman, community and civic leader, as well as sportsman, Fogelman possesses the dynamic entrepreneurial spirit that goes hand-in-hand with success.

Memphis is also the home of Fogelman Properties, Inc., a highly successful real estate conglomerate owned by Fogelman, which develops and manages apartment complexes, office buildings and commercial developments. In addition, Fogelman Properties has affiliate companies in mortgage banking, real estate sales and other integrated real estate operations.

Fogelman's influence in civic and community organizations is wide-ranging. He currently is President of the Memphis Chamber of Commerce, has been honored as the recipient of the "Outstanding Citizen of Memphis Award," was the recipient of the "Liberty Bell Award" from the Memphis Bar Association for outstanding civic contributions and recipient of "Outstanding Community Salesman Award of Memphis."

The Memphis State University Business School is named after Fogelman. He is on the Board of Administrators at Tulane University. In addition Fogelman is an Entrepreneurial Fellow at Memphis State, chairman of Memphis and Shelby County Planning Commission, a member of the Board of Directors of the Tennessee Sports Hall of Fame, a member of the President's Council of Southwestern College and a member of the Board of Directors of the Governor's Technology Foundation for the State of Tennessee.

With all that, Fogelman can frequently be seen around Royals Stadium and the Kansas City area.

He and his wife, Wendy, have three sons: Hal (22), Rick (20) and Mark (16).

Joe Burke President

More than 37 years ago Joe Burke began his career in professional baseball. He climbed through the minor league and major league ranks to become one of the industry's most respected chief executives. In addition to serving as President of the Royals, he also has been called on by Major League Baseball for leadership on many key committees.

Following a nine-year tenure as Executive Vice President and General Manager, Burke was named President, October 8, 1981.

Under Burke's guidance, baseball has achieved the greatest success it has known in its 28-year history in Kansas City. To wit, the Royals have won two American League pennants, brought the World Series Championship to Kansas City for the first time and been American League Western Division champions six times.

With more than 25 years of administrative experience on the major league level, it is no surprise that the 62-year old Burke has molded the Royals into one of baseball's most respected organizations.

An active participant in the continued development and growth of Major League Baseball, Burke was influential in the current structure of the four divisions and the beginning of the League Championship Series. Chairman of the Committee on Divisional Play is just one of the many avenues Burke has traveled in baseball. He also was a member of the Committee on Expansion and has served on the Schedule Committee, Division of Receipts Committee and the Player Relations Committee.

In recognition for his dedication to bringing Kansas City its first division championship in 21 seasons, Burke was named the 1976 Major League Executive-of-the-Year by *The Sporting News*. He was selected for the prestigious honor by a vote of the other major league executive officers. Following the Royals' second consecutive division title in 1977, Burke received the "Mr. Baseball" Award at the Seventh Annual Kansas City Baseball awards Dinner in January of 1978. The award is presented annually for outstanding service to professional baseball in Kansas City.

Burke served as Executive Vice President and General Manager from June 11, 1974, until his appointment as President. He joined the Royals organization in September of 1973 as Vice President—Business. Prior to that he served as Vice President and General Manager of the Washington Senators—Texas Rangers organization for five years (1968-73). Burke first joined the Senators as Assistant General Manager in 1961. He became Business Manager and Treasurer in 1963 and was named Vice President in 1968.

Burke's first 12 years (1948-1960) were with the Louisville Colonels in his hometown. He was selected Man-of-the-Year by the Louisville baseball writers in 1960 when the Colonels, then affiliated with the Milwaukee Braves, won the Junior World Series. Burke was General Manager at the time, having taken over those duties in 1956. He began with Louisville as Ticket Manager and Business Manager.

Burke and his wife, Mary, make their home in Overland Park, Kansas. They have seven children: Joe, Mary Ann, Jimmy, John, Alice, Bobby and Vincent.

Kansas City Royals®

John Schuerholz

Executive Vice President and General Manager

John Schuerholz provides the Kansas City Royals with firm and steady leadership as he calls on 18 years of experience in player development in the Kansas City organization to direct the operation. Under his guidance, the club has maintained its reputation for excellence while achieving Major League Baseball's ultimate goal—a World Championship in 1985.

The 45-year old Executive Vice President and General Manager has quietly been a major factor in the franchise's success as a strong believer in developing talent through the club's minor league system. At the same time, he has engineered a number of player trades and transactions over the past several seasons that proved to be vital in the championship picture. His talents have not gone unnoticed as he was selected by the other major league baseball general managers for *The Sporting News'* Major League Executive of the Year following the 1985 season.

Schuerholz also was honored by the Kansas City Chapter of the Baseball Writers of America Association by being named "Mr. Baseball." The award is presented to the person who has contributed greatly to further the cause of professional baseball in Kansas City.

A product of Baltimore, Maryland, Schuerholz is the only person to have been involved with every player who has come through the Royals' farm system. He was a member of the Royals front-office before the franchise played its first exhibition game and in 1968, was involved in the expansion draft that was to be the first-ever Royals' roster.

He joined the organization in August of 1968 as an Administrative Assistant. In 1970 he was named Assistant Farm Director and held that post until 1975 when he became Farm Director. After a year in that position, Schuerholz moved up to become Director of Scouting, Player Procurement and Development. In 1979 at the age of 38, he was named Vice President—Player Personnel. He assumed his current position, succeeding Joe Burke as Executive Vice President and General Manager, in October of 1981.

Among his many accomplishments during his 18-year association with the Royals, Schuerholz has overseen the administration of the entire minor league system, supervised scouts, hired managers and coaches and negotiated player contracts and trades.

Prior to joining the Royals, Schuerholz received his first exposure to major league baseball with the Baltimore Orioles, serving as an assistant to the minor league and scouting departments for two years (1967-68).

A graduate of Towson (Md.) State University, Schuerholz was an all-conference choice in baseball and soccer. He was named the school's Athlete-of-the-Year in 1962. He was inducted in the Towson State University Athletic Hall of Fame in 1973.

Schuerholz and his wife Karen, daughter Gina, and son Jonathan, reside in Leawood, Kansas.

Requests for media tickets should be directed to the Royals' P.R. office and can be picked up the day of the game at the Guest Ticket Window Number 4, also located on the south side of the stadium adjacent to the main lobby. The window opens 1½ hours prior to the game. After picking up credentials or media tickets you should enter Royals Stadium through the press gate located on the south side adjacent to the main lobby. To enter the press box turn left on the concourse and walk back to the main lobby where the elevators are located. The Royals' offices are located on level 5, the press box on level 4, parking lot on level 3 and the clubhouse and field on level 1.

INTERVIEW periods are arranged prior to and following Royals' games. Dick Howser, the coaches and players are usually available on the field or in the clubhouse during batting practice as long as the interview does not interrupt their pre-game routine (hitting, running, infield, etc.). Dick Howser will usually arrive by 3:30 p.m. prior to night games and be available to the press. Pre-game interviews should be conducted prior to the conclusion of batting practice. We request that reporters and broadcasters leave the field and dugout area when infield practice begins (12:50 p.m. for day games and 6:50 p.m. for night games) and that photographers report to their assigned photo positions.

ROYALS' CLUBHOUSE will be open to media with clubhouse credentials until 30 minutes prior to the game and immediately following each game. Film interviews may also be conducted in the clubhouse. The Royals' clubhouse will be closed between games of doubleheaders. There will be occasions when the Royals may request the clubhouse be cleared for team meetings and we ask your cooperation at these times. **The training room is closed to everyone except players and Royals officials.** There is an interview room located adjacent to both clubhouses and we will bring players to this area when necessary. The dugout is off limits in accordance with American League rules during the game for everyone except the manager, coaches, players and certain club officials.

PHOTOGRAPHERS will be assigned to photo bays on the field at the end of each dugout, the field level bay behind home plate or the bay located in the main press box. Photographers in the dugout field boxes should remain in the photo bays at all times during the game. If absolutely necessary, photographers who have to meet deadlines before the game ends should leave between innings only. Photographers shooting from the field level bay behind home plate must keep the gates closed. Photos are allowed during batting practice, but photographers should remain in foul territory in the area behind home plate. Photographers should assume their assigned positions at the conclusion of batting practice.

Media Information Continued

PRESS BOX is located on level 4 at Royals Stadium. Space is available for accredited members of the media on assignment only. The lower level is reserved for writers and broadcast reporters. The upper level is divided into individual broadcast booths for live coverage by radio and television networks. Phones are available and Sportscom is available on advance request. The **Press Room** is located adjacent to the press box for a pre-game meal and refreshments and is open for the media with appropriate credentials approximately two hours prior to the game and one hour following the game. Complete **NOTES, STATISTICAL INFORMATION** and **LINEUPS** are available approximately two hours prior to the game on the lower level of the press box.

DIAL-A-ROYAL is a daily audio service featuring interviews with the manager, coaches and players along with a game report and other pertinent information concerning the Royals. The service begins with spring training and is available throughout the season. On game days we make every effort to record a new message within an hour following the contest. The number to call is 816/921-1054. Please do not pass this number on to people other than those who will utilize this as a news service. The Royals have a special fan information line: 816/921-8800.

The Manager

#10 Dick Howser, Manager

PERSONAL: Ht.: 5-9; Wt.: 155; Age: 49; Born: 5-14-36 in Miami, Fla.; Resides: Tallahassee, Fla.; Full Name: Richard Dalton Howser; Married: Nancy; Children: Jan and Jill (twins).

ROYALS HIGHLIGHTS: With an impressive list of accomplishments in 4½ years as the Royals' skipper, Dick enjoyed perhaps his greatest managerial accomplishment in 1985 as he guided the Royals to their first-ever world championship ... his skills and ability to maneuver the lineup and roster played an ever-important role in the club's success ... he capitalized on a strong starting pitching staff and maximized an offense that ranked 13th in average and runs scored ... he guided the club in one of the most remarkable and endearing comebacks in major league post-season history defeating Toronto in the ALCS and St. Louis to win the 1985 World Series ... quite an encore for a manager who was named the ESPN Manager-of-the-Year and finished second in the Baseball Writer's Manager-of-the-Year balloting in 1984 ... Dick's '84 edition was hindered by injuries throughout the year as his starting lineup was together for only 50 of the 162 games and add to that the six-week suspension of Willie Wilson and knee injury that kept George Brett out of the lineup until mid-May ... the Royals fell to a season-low 40-51 record—in 6th place, 8 games off the pace on July 18 ... Howser's leadership ability played an especially important ingredient that led KC to an astonishing finish of 44-25 the last 10 weeks of the season en route to the A.L. West title ... Dick's 4½-year record as Royals' manager is 364-317 (.535) ... other accomplishments with the Royals include inheriting a club that was 10 games under .500 and guiding them to a 20-13 mark the rest of the way and winning the second-half of the strike-shortened '81 season and winning 90 games in 1982—his first full season with the Royals.

CAREER HIGHLIGHTS: Dick is a veteran of 27 years in professional baseball including 25 years on the big-league level ... his 5½ year record as a big league manager is 467- 376 (.553) as his clubs have won a World Championship, 2 American League Pennants, 3 division titles and 2 2nd place finishes ... managed the New York Yankees to the best record in baseball in 1980 (103-59) and the A.L. East Crown ... became only the 4th manager in the history of the game to win 100 games in his first year (Ralph Houk won 109 in 1961, Sparky Anderson won 102 in 1970 and Mickey Cochrane won 101 in 1934) ... after a 10-year stint as the Yankees' third-base coach, Dick managed the Bronx Bombers for one game (at Kansas City, coincidentally), July 24, 1978, after Billy Martin resigned and spent one season (1979) at the collegiate level as head coach at his alma mater, Florida State ... Dick began his playing career in 1958 following an outstanding collegiate career at FSU ... led the Three-I League in stolen bases in 1959 with 31 thefts and hit .349 at Sioux City and .338 at Shreveport in 1960 ... *The Sporting News*' Rookie of the Year in 1961, Dick batted .280 in 1958 games with the Kansas City A's and struck out only 38 times in 611 at bats—the lowest ratio in the league ... was also a member of the '61 A.L. All-Star team ... with Cleveland in 1964, Dick tied the A.L. record for most games played by a shortstop (162) ... in 8 seasons and 789 games at the big-league level, he compiled a .248 batting average and 105 stolen bases ... was 2-time all-America shortstop at Florida State in 1957 and '58 and the first consensus all-America in the school's history ... as a sophomore he set the school record with a .422 batting average and followed with a .375 and .345 mark as a junior and senior, respectively ... was a member of FSU's 1957 team that advanced to the College World Series in Omaha, Neb. ... a member of the Florida Sports Hall of Fame, Dick holds the unusual distinction of having been honored as the Amateur Athlete of the Year in Florida (1958) and the Professional Athlete of the Year in Florida (1961) ... classmate of actor Burt Reynolds from junior high through college ... teammate of Missouri basketball coach Norm Stewart (then a pitcher) on the 1957 Watertown (S.D.) Lake Sox.

1986 Roster Players

#45 Steve Balboni, 1B

PERSONAL: Ht.: 6-3; Wt.: 225; Bats: Right; Throws: Right; Age: 29; Born: 1-16-57 in Brockton, Mass.; Resides: Lee's Summit, Mo.; Full Name: Stephen Charles Balboni; Married: Eve; Children: Daniel (3-13-85); Acquired: Obtained from the New York Yankees with pitcher Roger Erickson for pitcher Mike Armstrong and catcher Duane Dewey, 12-8-83; Contract Status: First-year of a 1-year contract thru 1986; M.L. Service: 2 years, 160 days.

1985 HIGHLIGHTS: Steve established himself as 1 of baseball's bonafide power hitters in a record-setting season for the first baseman from New England ... he rewrote Royals' home run records as he hit 36 round-trippers—the most ever by a Royal (John Mayberry hit 34 in 1975) ... his 64 home runs in back-to-back seasons with KC also set a club record ... a total of 17 of his homers were hit at spacious Royals Stadium—a club record ... ranked 3rd in the league in homers behind Darrell Evans' 40 and Carlton Fisk's 37 ... tied Evans for the league lead in homers hit on the road with 19 ... providing a touch of the dramatic, 15 of Steve's home runs gave the Royals a lead or a tie ... set career highs in virtually every category ... tied a club record by hitting home runs (4) in 4 consecutive games, July 28-31 ... that was part of a 6-home run-in-7-day streak ... enjoyed 4 2-home run games during the campaign: June 6 at California (off Mike Witt); June 17 at Minnesota (off Frank Viola); August 5 vs. Detroit (off Walt Terrell and Willie Hernandez; and, September 6 in the first game of a doubleheader vs. Milwaukee (off Teddy Higuera and Rollie Fingers) ... logged RBI in 8 consecutive games (13 RBI in all), July 23-31 ... the Royals' record in games in which he homered was 24-8 (.750) ... registered a season-high 12-game hitting streak, July 19-31 ... batted .400 during that stretch (18-for-45) with 3 doubles, 7 home runs, 12 runs scored and 15 RBI ... led the club in games-played with 160—the most by a Royal since Willie Wilson played in 161 contests in 1980 ... Steve's 166 strikeouts rewrote the club record he set last season with 139 ... only game he missed (other than the October 6 regular-season finale vs. Oakland when most of the regulars were given the day off after clinching the division title) was the June 2nd contest at Chicago ... he was scratched from the lineup due to a sore heel ... top RBI output in a game was 4 on 3 occasions ... hit the 2nd grand slam of his career (first as a Royal), April 30 at Royals Stadium vs. Cleveland (off Jose Roman) ... was named A.L. Player-of-the Week, April 15-21 (.385, 10-for-26, 2 doubles, 3 home runs, 8 RBI, 1 GWRBI) ... also was honored as KC's Player-of-the-Month for April (.269, 21-for-78, 5 home runs, 14 RBI including the grand slam vs. the Indians) ... finished the season on a hot note with a 7-game hitting streak (.357, 10-for-28).

1985 POST-SEASON HIGHLIGHTS: After struggling in the ALCS vs. Toronto (3-for-25 with 8 strikeouts), Steve batted .320 (8-for-25) with 3 RBI in the World Series vs. St. Louis ... although he did not connect for an extra base hit during either series, Steve's on-base percentage of .433 during the Fall Classic ranked 3rd among all players ... hit safely in the last 4 World Series contests and 6 of 7 overall ... contributed a dramatic 9th-inning single that led to KC's come-from-behind 2-1 victory in Game 6.

CAREER HIGHLIGHTS: 1984—Steve's first full season in the big leagues provided the Royals with not only power at the plate, but a capable glove as well ... led KC in home runs (28) and RBI (77) ... hit the 2nd most home runs in a season in Royals' history (only John Mayberry hit more, 34, in 1975) ... became only the 4th player in KC history to hit 27 or more homers in a season ... fashioned 3 2-home run games (June 23 at California, July 3 at Cleveland, and August 19 at Texas) ... top RBI performance was 4 twice (at California, June 23; and July 23 vs. Toronto) ... was the Royals' Player-of-the-Month for June with 5 home runs and 13 RBI for the month ... won the same award in September with his 7-home run and 20 RBI (6 GWRBI) performance ... registered a career-high 13-game hitting streak (2nd longest on the club in '84), September 10-23, with 17-for-48 (.354) including 4 doubles, 4 home runs and 12 RBI ... missed a total of 23 games with 2 separate injuries ... was sidelined for 14 games with a sprained arch suffered when he caught his spikes in a seam of Toronto's Exhibition Stadium turf, July 30 ... was shelved for 9 games, August 29—September 7, with a pulled right rib-cage muscle ... had the dubious distinction of striking out in 9 consecutive plate appearances, breaking the American League record of 8 set by Jim Fuller of Baltimore (1973) and Gorman Thomas of Milwaukee (1975), and tying the major league mark for non-pitchers set by Adolfo Phillips of Chicago (1966) ... went on to fan in 11 straight official at bats ... Was in the Yankees organization for the first 6 years of his professional career (1978-83) ... **1983—** Steve spent the majority of the season on the triple-A level at Columbus but also saw time in the big leagues with the Yankees ... opened in the International League but called to the majors May 31 when he was hitting .277 with

14 HR and 44 RBI ... played in 4 games before being optioned back to Columbus June 16 but was recalled to N.Y. Mark did not complete a game in '85 ... his longest stint was 8.1 innings twice (June 8 at California and September 7 vs. Milwaukee) ... his low-hit game of the season was a 3-hitter on June 30 vs. California (8.0 innings, 3 hits, 0 runs, 1 walk and 7 strikeouts) ... his strikeout high for '85 and also his career was 9, in 5.1 innings of work, June 13 at Seattle in a 4-3 KC victory.

1983 Signed by Royals as a free agent, December 6.

Scoring Rule—Pinch Hitters

A player shall be considered a pinch hitter only if he enters the game as a substitute batter and then only on his first time at bat which must be before he becomes a fielder. (If the team bats around and a pinch hitter comes up a second time in the inning in which he first appeared, he will not be considered a pinch hitter during that second time up.)

A substitute hitter for a designated hitter is both a pinch hitter and a designated hitter on his first time at bat. On subsequent trips to the plate he is a designated hitter only.

#37 Charlie Leibrandt, LHP

PERSONAL: Ht.: 6-3; Wt.: 200; Bats: Right; Throws: Left; Age: 29; Born: 10-4-56 in Chicago, Ill.; Resides: Leawood, Kan.; Full Name: Charles Louis Leibrandt, Jr.; Married: Corinne; Children: Lauren Marissa (6-22-85); Acquired: Obtained from Cincinnati Reds for pitcher Bob Tufts, 6-7-83; Contract Status: First year of a 1-year contract thru 1986; M.L. Service: 4 years, 10 days.

1985 HIGHLIGHTS: Charlie emerged as one of the top lefthanded pitchers in the league in 1985 while posting a 17-9 record and 2.69 ERA ... his ERA was 2nd in the loop to Dave Stieb's 2.48 and lowest among A.L. lefthanders ... his .654 winning pct. ranked 4th ... he tied for the club lead with 33 starts (with Buddy Black), and led the staff with 237.2 innings ... his win total was 2nd to Bret Saberhagen and he ranked 2nd with 8 complete games ... he and Danny Jackson led the staff with 3 shutouts ... Leibrandt logged career highs in every department ... he was the only pitcher in the league to win A.L. Pitcher-of-the-Month honors twice ... he was the winner in April (3-0, 1.69) and September (4-1 with a 0.91 ERA) ... his longest winning streak of the season was 4 from July 2-24 when he had a 3.27 ERA over 35.2 innings ... he closed out the season by winning 7 of his last 10 starts with a 1.91 ERA over 75.1 innings in which he gave up 70 hits, 23 runs, 16 earned runs with 19 walks and 42 strikeouts ... he tossed a pair of 3-hitters during the season to equal his career bests ... the first came vs. Chicago on May 25 in a 3-0 triumph when he allowed 1 walk and 2 strikeouts ... the second came September 10 at California when he walked 2 and fanned 5 in a 6-0 win ... his strikeout high for the year was 7, which occurred June 26 at Minnesota ... he also logged a 5-hitter and a 6-hitter during the year ... Leibrandt was so consistent during the season that in 28 of his 33 starts he pitched into the 7th inning ... finished 5th in the Cy Young Award voting ... permitted 3 runs or less in all but 7 starts.

1985 POST-SEASON HIGHLIGHTS: Charlie's 1-3 record and 3.98 ERA in 5 post-season appearances (4 starts) proved misleading ... led the Royals in innings pitched (31.2) and strikeouts (16) during the post-season ... best outing in the ALCS came, ironically, in relief as he was the winner in the deciding Game 7, 6-2 (5.1 IP, 5 H, 2 ER, 1 BB and 5 K) ... came out of the bullpen when KC starter Bret Saberhagen injured his pitching hand trying to field a ground ball ... started the ALCS-opener vs. the Jays and dropped a 6-1 decision (2.0 IP, 7 H, 5 ER, 1 BB) ... in Game 4, he had a 2-hit shutout entering the 9th inning, but lost a 3-1 decision (8.0 IP, 5 H, 2 ER, 2 BB and 1 K) ... in the World Series vs. St. Louis, Charlie endured yet another frustrating effort as he carried a shutout into the 9th inning again only to see the Cardinals score 4 runs after 2 out to take a 4-2 victory (8.2 IP, 6 H, 4 ER, 2 BB and 6 K) ... although winless in 2 World Series starts, he enjoyed a bit of poetic justice as the Royals rallied to win a 2-1 decision in Game 6—a game he started and pitched brilliantly once again (7.2 IP, 4 H, 1 ER, 2 BB and 4 K) ... the Royals scored a total of 6 runs in his 4 post-season starts.

CAREER HIGHLIGHTS: 1984—Charlie became one of Kansas City's most dependable starters after his contract was purchased from Omaha May 30 ... was the winning pitcher September 28 in the A.L. West-clinching 6-5 victory at Oakland ... that triumph gave him a then-career-high 11 victories ... won 4 of his last 5 decisions (6 starts) ... KC was victorious in 16 of his 23 starts during the regular season ... pitched 6 innings or more in 19 of his 23 starting assignments ... allowed 3 runs or less in 16 starts ... defeated Minnesota 7-1 on June 1 in his KC debut ... worked 8 innings in which he permitted 6 hits and 1 earned run with 2 walks and 3 strikeouts ... his low-hit contest of the regular year was an 8-inning, 5-hitter at Detroit August 5 in a 4-0 KC victory ... he walked 3 and struck out 2 ... his finest outing occurred in Game 3 of the ALCS at Detroit ... he hurled his first complete-game as a Royal ... KC dropped a 1-0 decision although Charlie allowed only 3 Tiger hits while striking out a career-best 6 batters ... was chosen KC's pitcher of the month for July when he compiled a 3-1 record and a 2.00 ERA ... in 6 starts he worked 45 innings in which he permitted 45 hits, 10 earned runs and 12 walks with 14 strikeouts ... prior to joining the parent club, Charlie over-matched the American Association as he compiled a 7-1 record and a 1.24 ERA ... in 9 starts for Omaha, he pitched 72.2 innings in which he allowed only 51 hits, 10 earned runs with 16 walks and 38 strikeouts ... hurled 3 shutouts and 3 complete games for the O-Royals ... **Miscellaneous**—Charlie has turned in 5 stints on the big league level since beginning his professional career in 1978 in the Cincinnati organization ... logged action with the Reds from 1979-82, including full seasons with Cincy in 1980 and 1982 ... was 10-9 while tossing 174 innings in 27 starts and 36 outings as a rookie in 1980 ... was 5-7 with a pair of saves in '82 ... minor league totals include a 41-34 mark ... has pitched on either the triple-A or big league level in all 8 pro campaigns ... is a graduate of Miami (Ohio) University ... set school records for innings pitched (286.1) and strikeouts (252) while compiling a 23-17 record ... was 21-6 during his high school career at Loyola Academy in Wilmette, Ill.

(.645) ... his victory and strikeout totals paced the KC staff ... he was one of baseball's top hurlers the 2nd half of 1980, posting a sparkling 13-4 ledger with a 3.05 ERA over 150.2 innings following the All-Star break ... tied his career low-hit outing in beating the Indians 5-0, yielding but 2 hits, walking 4 and recording 4 strikeouts ... was also on the mound when KC won its 4th division title on September 17 when he tossed a 3-hit 5-0 shutout over the California Angels ... **1979**—finished in a flurry to post a 14-12 mark and share the loop shutout high (5) with Baltimore's Mike Flanagan and California ace Nolan Ryan ... also paced the KC staff in complete games (12) and strikeouts (126) while recording the club's 2nd highest victory count ... was forced out of the regular rotation with inflammation in his right elbow and a tender shoulder for a 4-week span in May and June, but rebounded to win 8 of his last 12 decisions ... **1978**—was the iron man of the KC staff as he became the first KC hurler to notch back-to-back 20-win seasons ... paced the Royals in nearly every department and ranked among the league leaders in 6 categories ... tied with Mike Flanagan of Baltimore for the loop lead in starts (40) and tied for 3rd with Jim Palmer in victories (21) ... was runner-up in both complete games (20) and innings pitched (294.2) ... finished 3rd in strikeouts (183) and tied for 5th in shutouts (4) ... the starts and innings pitched were both club records and his victory total was only one win shy of Steve Busby's team mark set in '74 ... **1977**—a banner year for Dennis as he became the 3rd Royals' hurler to record a 20-win season ... joined Palmer and Dave Goltz in the American League's 1977 20-victory circle ... listed among the league leaders in nearly every department and established new career bests in complete games (21), shutouts (5), strikeouts (244) and ERA (3.04) ... his strikeout and complete game totals set club standards ... his complete game figure tied for the 3rd spot in the league only 1 behind leader Palmer and Ryan ... twice he fanned 13 batters in a game to equal the club record (also shared by Steve Busby) ... the first came July 8 in Oakland and the 2nd September 23 vs. California in KC ... from June 24 through the end of the season Leonard was 16-4 with a 2.60 ERA, 16 complete games and 4 shutouts ... finished the season by tying the club record with 7 consecutive games ... his first career-low 2-hitter came against the California Angels on June 28 in a 3-1 win over Frank Tanana ... logged a 7-3 win September 23 with a 5-hitter to clinch the division title for Kansas City ... **1976**—he ranked as one of the A.L.'s top hurlers while topping the club in victories (17), starts (34), complete games (16), innings pitched (259) and strikeouts (148) ... #11 Hal McRae, DH

PERSONAL: Ht.: 5-11; Wt.: 185; Bats: Right; Throws: Right; Age: 39; Born: 7-10-46 in Avon Park, Fla.; Resides: Bradenton, Fla.; Full Name: Harold Abraham McRae; Married: Johncyna (Jo); Children: Brian (9-27-67), Cullen (4-15-73) and Leah (10-30-77); Acquired: Obtained with pitcher Wayne Simpson from the Cincinnati Reds for pitcher Roger Nelson and outfielder Richie Scheinblum, 12-1-72; Contract Status: First year of a 1-year contract thru 1986; M.L. Service: 16 years, 40 days.

1985 HIGHLIGHTS: Mac was a second-half catalyst for the Royals despite battling a pulled muscle in his lower left side ... appeared in 56 of KC's final 72 games ... re-established as the everyday DH on July 22, Hal batted .291 (59-for-203) with 7 home runs, 46 RBI and 6 GWRBI in 56 games from that point ... did not start a game until the '85 season was 26 days old (18th game of the campaign), April 29 vs. Cleveland ... in a span of 6 games from June 19-28, Hal slugged 4 home runs in 11 at bats—2 of which won games ... also within that stretch, he hit his first pinch-hit home run—a 2-run game-tying shot off California's Donnie Moore at Royals Stadium (KC won the game 5-4) ... was KC's player-of-the-month for June despite starting only 8 times in 26 games ... logged a .300 batting average for the month (9-for-30) with 4 home runs and 12 RBI ... top outing of the month was June 19 at Minnesota when he homered twice and collected 5 RBI in a 12-6 KC triumph ... started 12 times in the Royals' first 46 games of the season ... collected career RBI No. 1000, July 9 at Yankee Stadium off Ron Guidry ... logged the 2000th hit of his career, September 10 off the Angels' Kirk McCaskill at Anaheim Stadium ... the first-inning run-scoring double enabled Mac to become the 155th player in big-league history to amass 2000 hits (third player during the '85 season to accomplish the milestone: Buddy

Bell and Dave Concepcion of Cincinnati each gathered their 2000th safety) ... another highlight occurred when the Royals made Hal's oldest son, Brian, their No. 1 selection in the June Free Agent Draft ... it is believed to be the first time that a father and son have been active players within the same major league organization at the same time ... Brian, 18, played shortstop in '85 at Sarasota, Fla., the Royals' Rookie affiliate in the Gulf Coast League ... Brian batted .267 with 23 RBI and 27 stolen bases in 60 games.

1985 POST-SEASON HIGHLIGHTS: Mac batted .261 (6-for-23) in 6 games of the ALCS with a pair of doubles and 3 RBI ... during the designated hitter-less World Series, he appeared in 3 games as a pinch hitter ... reached base twice without the benefit of a hit (a walk and hit-by-pitch).

CAREER HIGHLIGHTS: Mac is the veteran of the Royals' roster in terms of age, major league service and service on the Royals' roster ... during his 13-year career with the Royals, Hal has established himself as one of the most consistent hitters in the A.L. and perhaps the most prolific designated hitter since the rule was established ... since coming to KC for the 1973 season, Mac has compiled a .294 average and ranks among the top 3 in virtually every Royals' lifetime offensive department ... as a Royal he has averaged 140 hits, 64 runs, 32 doubles, 5 triples, 13 homers and 63 RBI while winning the DH-of-the-Year award 3 times (1976-80-82) ... **1984**—Hal divided time with Jorge Orta as KC's designated hitter ... played primarily against left-handed pitching ... hit .300 or better for the 6th time (all with KC) in his career ... all 3 of his home runs were hit off southpaws (2 off Neal Heaton and another off Frank Tanana) ... hit .382 in his final 19 games of the campaign (21-for-55) ... was hitting .255 (47-for-184) as the everyday DH (Opening Day—June 16) ... began platooning June 17 ... after that date, he batted .369 (48-for-130) as a designated hitter ... top games included a 4-hit contest August 15 vs. Boston at Royals Stadium ... was 4-for-5 with 3 runs scored and 3 RBI in KC's 13-8 victory over the Red Sox ... led the club in pinch-hitting plate appearances with 25 (5-for-20 with 5 walks and 2 RBI) ... was 1 of 3 consecutive KC pinch-hitters to hit safely in Game 2 of the ALCS vs. Detroit at Royals Stadium ... gathered 2 hits in one inning for the 2nd time in his career, August 15 vs. Boston ... **1983**—Mac turned in another solid campaign as the Royals' DH ... the '83 season marked the 5th time in his career he batted over .300 (.311), the 5th time with more than 80 RBI (82), and 3rd over 40 doubles (41) ... Hal finished in a tie for 4th in the loop in doubles and ranked 7th in both average and hits (183) ... played in 157 games and the '83 season marked the 2nd time in Mac's career that all of his appearances came as the DH (1979 the other) ... Hal earned Player-of-the-Month honors in May when he posted a .347 average with 2 HR and 14 RBI ... led all DH's in average, runs, hits, doubles and triples while ranking 4th in RBI and tied for 6th in homers ... **1982**—Hal enjoyed the most productive and top all-around year of his career ... his season also ranks as one of the most productive ever by a designated hitter ... played in 160 of 162 games making 159 appearances as a DH (leftfield April 14 vs. Baltimore) ... was selected by the Kansas City Chapter of BBWAA as Royals' Player-of-the-Year, named A.L. Designated Hitter of the Year (for the 3rd time), was selected to play in the Major League All-Star Game and named to post-season All-Star teams by *The Sporting News*, Associated Press and United Press International ... was A.L. Player-of-the-Month in May when he hit .393 ... was A.L. Player-of-the-Week April 26—May 2 when he hit .320 with 2 homers and 13 RBI ... led the major leagues with 133 RBI and was tied for first with 46 doubles, 3rd with 332 total bases, 5th with 189 hits and a .542 slugging pct. and 8th with a .308 average in the A.L. Hitting departments ... his RBI total set a Royals' record and stands as the best ever by a DH ... logged 37 games with 2 or more RBI, 16 games with 3 or more RBI, 7 games with 4 or more RBI and 3 5 RBI games ... his longest hitting streak was 12 games from July 31—August 10 when he hit .364 ... his big hit game of the season was a 5-for-5 outing at Texas May 29 ... Mac collected his 1,500th major league hit May 16 vs. Boston with a 5th inning single off Bob Stanley ... **1981**—McRae appeared in 101 games of the club's 103 games ... all but 2 of his appearances were as the designated hitter ... his 2 starts in the outfield came in rightfield (May 19 at New York and May 27 at Seattle) ... only Willie Wilson had more appearances ... his longest streak of the season was a 13-game stretch from June 7—August 16 ... hit in 10 straight games from September 21-30 with 10-for-37 (.486) ... **1980**—Hal again was a key figure in the Royals' attack and one of the league's premier designated hitters ... recorded a solid offensive campaign despite missing extensive service due to injury ... the Designated Hitter-of-the-Year, Hal led the loop's DH's with a .293 average ... has a season high 12-game hitting streak from July 22 to August 3 ... a tear in his left calf muscle kept him out of the lineup from May 14 until June 2 ... **1979**—all but one of his appearances came in his familiar DH role and he was once again among the best at the task ... led DH's in doubles (32), was runner-up in average (.288) and was 2nd in total bases (183) and RBI (74) ... played in only 101 games as he re-cooped from rotator cuff surgery on right shoulder ... **1978**—he was a vital cog in the Royals' 3rd straight Western Division title ... was among the top 3 in the A.L. in doubles (39), was 8th in runs (90), tied for 8th in hits (170) and 11th in total bases (267) ... Mac established the longest hitting streak of the season by a Royal and his career best by hitting in 17 straight contests from July 9-29 ... went 23-for-69 (.333) during skein ... the durable DH played in 263 games dating back to the final

game of '76 through July 29 in 1978 to set a club consecutive service mark ... 1977—he finished first in the league in doubles (54), 3rd in total bases (330), tied for 4th in runs (104), tied for 6th in triples (11) and 7th in hits (191) ... his doubles total was the highest mark in the league in 27 years since George Kell (Detroit) had 56 in 1950 ... again excelled as a DH, earning recognition on the All-Star team selected by *The Sporting News* at the close of the season ... Hal hit .303 with 16 home runs and 70 RBI in that capacity ... also turned in a glowing ALCS showing in '77 by capturing individual hitting honors with a .444 (8-for-18) average ... 1976—Hal enjoyed a banner season, hitting over .300 for the 3rd straight year to become the first Royal to accomplish the trick ... his .332 batting average, which ranked 2nd to teammate George Brett's in the A.L. batting race, was the highest by a righthanded hitter in the loop since Harvey Kuenn hit .353 in 1959 ... as a DH he hit .329 (137-for-417) with 7 homers and 62 RBI ... was named Designated-Hitter-of-the-Year by the A.L. press corps, KC Baseball Writers and was named to *The Sporting News* All-League team selected by the players ... was also named to 2nd consecutive A.L. All-Star team ... 1975—Hal was 2nd in hitting to Brett on the club and ranked 7th in the league ... was named to the A.L. All-Star team for the first time in his career ... despite missing the final month he tied with John Mayberry for a then club record 38 doubles and he finished 3rd on the team in hits and RBI ... spent nearly the entire season in leftfield making only 12 appearances as a designated hitter ... as a DH he batted .432 with 2 homers and 7 RBI ... 1974—one of Hal's top years in the majors was 1974 when he was selected Royals' Player-of-the-Year ... led the club in most offensive categories including average, hits and RBI while finishing 3rd in the league batting race ... was the loop's top designated hitter with a .305 mark ... on Aug. 27, 1974, in a doubleheader against Cleveland he collected 5 doubles, a homer and 7 RBI ... his extra-base hits in the twin bill tied a major league record (accomplished by only 5 other players) ... **Miscellaneous**—his career has also been highlighted by appearances in 2 National League Championship Series and 2 World Series with Cincinnati ... his .444 average, in the '72 Series was the best on the Reds' club, and half of his hits came as a pinch hitter ... Designated Hitter Rule

A hitter may be designated to bat for the pitcher in any spot in the batting order in any game without affecting the status of the pitcher. The designated hitter must be selected and be included on the lineup cards presented to the umpire-in-chief prior to the game. Failure to do so precludes the use of a designated hitter for that game.

The designated hitter is "locked" into the batting order but may be removed for a pinch-hitter or pinch-runner, who in turn becomes the designated hitter. The designated hitter, while still in the game may be used defensively but the pitcher then assumes the batting order of the replaced defensive player, thus terminating the designated hitter role.

The designated hitter is eligible for all American League batting titles.

#15 Pat Sheridan, OF

PERSONAL: Ht.: 6-3; Wt.: 175; Bats: Left; Throws: Right; Age: 28; Born: 12-4-57 in Ann Arbor, Mich.; **Resides:** Wayne, Mich.; **Full Name:** Patrick Arthur Sheridan; **Acquired:** Selected in 3rd round of 1979 June Free Agent Draft; **Contract Status:** First year of a 1-year contract thru 1986; **M.L. Service:** 2 years, 170 days.

1985 HIGHLIGHTS: Pat was the victim of a nagging hamstring injury which sharply curtailed his playing time in '85 ... first pulled the right hamstring June 16 at Seattle ... was put on the disabled list June 19 ... missed 15 games (June 17-July 3) ... he aggravated the injury again on August 4 vs. Boston and was put on the D.L. a second time, August 10 ... in all, the hamstring injury cost him 44 games ... coupled with the acquisitions of Lonnie Smith in mid-May and Omar Moreno in early-September, playing time was scarce in '85 ... best outing of the season occurred May 12 vs. New York at Royals Stadium ... hit 2 home runs off Phil Niekro leading the Royals to a 6-5 victory over the Yankees ... it was the first 2-home run game of his career ... his first round-tripper off the knuckler was an inside-the-park homer, the first of his career and 48th in Royals' history ... logged season-high 4-game hitting streak (April 22-26) ... started the first 17 games of the season in rightfield ... began platooning with Dane Iorg and Darryl Motley on April 29 ... started only 32 of the 145 remaining regular-season games after that.

1985 POST-SEASON HIGHLIGHTS: Made the most out of his hits in the ALCS vs. Toronto as he logged only 3 hits in 20 at bats (.150) ... 2 of his safeties were home runs—the first was a dramatic game-tying pinch-hit clout in Game 2 at Exhibition Stadium, the second was a solo shot in the 4th inning of Game 7 ... in the World Series, Pat was a .222 hitter (4-for-18) with a pair of doubles and an RBI.

CAREER HIGHLIGHTS: 1984—Pat turned in his first full season in the big leagues ... registered career-bests in every offensive category ... opened the season as KC's regular centerfielder while Willie Wilson served his

suspension (through May 15) ... upon Wilson's return, Pat played exclusively in rightfield ... was 2nd behind Wilson in stolen bases with a career-high 18 ... led the club in game-winning RBI with a career-best 13 ... led the club with a .329 batting average at the All-Star break (79-for-240) and was 6th in the A.L. in hitting at that time ... began being platooned with Lynn Jones late in the year ... played primarily against righthanded pitching from mid-August on ... battled through a September slump as he hit .216 (16-for-74) for the month ... May was his most productive month as he batted .347 (26-for-75) with 2 home runs and 15 RBI ... hit better than .300 during the first 4½ months of the campaign ... after the All-Star break, Pat hit .237 (58-for-245) ... hit the first grand slam of his career May 18 at Royals Stadium off Texas' Charlie Hough ... was 2nd on the club in hitting on the road with a .310 average (77-for-248) with 5 homers and 29 RBI ... his road batting average was 7th best in A.L. ... **1983**—Pat opened the '83 campaign at the triple-A level in Omaha before being called to Kansas City on May 13 ... upon arriving with the parent club he played all 3 outfield positions although most of his action came in rightfield in place of the injured Jerry Martin ... his top month came in August when he appeared in 32 games and batted .343 (36-for-105) with 2 homers and 13 RBI en route to player-of-the-month honors ... Pat edged over the .300 mark to a season high .301 on August 28 ... also in August he notched a career high 9-game hitting streak in which he went 15-for-27 (.556) ... Pat's initial big league hit was a home run off Milt Wilcox May 15 to tie the game and send it into extra innings ... while at Omaha he played in 23 games and batted .307 ... **1982**—Pat was hampered by injury for most of the 1982 season ... played in only 41 games and saw action in only 4 contests by July 20 ... pulled his left hamstring on opening day and was out until April 25 ... reinjured the muscle April 26 and was put on the disabled list missing 2 months ... returned on June 25 but re-pulled the hamstring and was again on the DL for 4 weeks ... finally was able to return to the lineup on July 20 and played in 37 games through the remainder of the season ... although slowed by the injury, he still was flawless in the outfield, posting a perfect 1.000 fielding pct. in 31 games and 95 total chances ... **1981**—he opened the '81 season in Omaha, his first season on the triple-A level ... was a steady performer playing primarily in centerfield ... opened the year with a 14-game hitting streak with 2 homers and 8 RBI ... missed more than a month from May 18—June 25 as he injured his elbow falling down some stairs ... returned to the lineup and contributed with a 12-game hitting streak from July 10-21 going 18-for-45 (.400) with 5 doubles, a triple and 6 RBI ... was called to Kansas City for the final month of the season where he appeared in 3 contests ... his major league debut came September 16 at California when he played rightfield ... his first big league at bat came September 21 vs. Minnesota ... **Miscellaneous**—Sheridan made steady progress with the Royals compiling solid statistics at Fort Myers, Jacksonville and Omaha in 3 years ... hit .281 his rookie year in the Florida State League ... jumped to .305 in 1980 at Jacksonville to finish 5th in the Southern League batting race ... attended Eastern Michigan University for 3 years ... batted over .300 in all 3 seasons at EMU (.338 in freshman year, .312 in sophomore season and .378 in senior campaign) ... was named to *The Sporting News* College All-America second team in '79.

No-Hitters

Steve Busby and Jim Colborn are the only pitchers in Kansas City's modern major league history to have hurled no-hitters.

Busby accomplished the feat on 2 occasions, the first coming in Tiger Stadium when he held Detroit hitless on April 27, 1973. Busby gave up 6 walks and struck out 4 as Kansas City won 3-0. His 2nd gem also came on the road on June 19, 1974 at Milwaukee's County Stadium where he blanked the Brewers, 2-0. It was in near perfect fashion as the only baserunner was George Scott, who walked to lead off the 2nd inning.

Colborn recorded the 1st no-hitter by a Kansas City pitcher at Royals Stadium on May 14, 1977, when he blanked the Texas Rangers, 6-0. It too was nearly a perfect outing as Colborn walked one batter and hit another while facing only 28 hitters.

Busby and relief pitcher Doug Bird teamed up for a no-hitter against Detroit April 23, 1973 during the exhibition season. Busby pitched the 1st 6 innings and allowed only 2 baserunners—1 reached by a walk and the other on an error. Bird pitched the final 3 innings and allowed only 2 walks as KC won 4-1.

After dusting off the record books, it has been discovered that back in 1888 Henry Potter hurled a no-hit game for Kansas City's American Association major league club. It was a 4-0 win in Baltimore as the righthander walked 2 batters.

Until Busby and Bird teamed up for their gem, the last professional no-hitter by a Kansas City hurler had been Ernie Nevel's 7-inning gem in the Triple-A American Association in 1951.

Kansas City had 5 minor league 9-inning no-hitters while it was in the American Association, the last 1 Carl De Roses' perfect game in 1947.

California Angels' ace Nolan Ryan recorded the 1st no-hitter in Royals Stadium on May 15, 1973. He struck out 12 and allowed only 3 base runners—all on walks.

The only other no-hitter thrown against Kansas City came when Jack Kralick of the Minnesota Twins no-hit the Athletics at Bloomington on Aug. 26, 1962, for a 1-0 victory. He came within 2 outs of pitching a perfect game. With 1 out in the 9th inning, he walked pinch hitter George Alusik on a 3-2 pitch.

Carl DeRose of the Blues of the American Association hurled the only professional no-hitter in Municipal Stadium when he blanked Minneapolis 5-0, on June 26, 1947. He faced only 27 batters, making it the first perfect game in American Association history.

1985 ALCS vs. Toronto

In the first American League Championship Series featuring two expansion clubs, Kansas City defeated Toronto four games to three. It marked the first ever best-of-seven ALCS. The Royals came back from a 3-1 deficit to defeat the Blue Jays. KC won the last two games at Exhibition Stadium in Toronto. Although out-hit .269 to .225, the Royals relied on outstanding pitching and timely hitting to thwart the Jays in their first post-season appearance. Top individual efforts for the Royals included: George Brett (the eventual '85 ALCS MVP) going 4-for-4 with two home runs, four runs scored and three RBI in Game Three; Danny Jackson's eight-hit shutout in Game Five (one walk and six strikeouts); Jim Sundberg's three-run triple in the sixth inning of Game Seven; and Charlie Leibrandt's sparkling relief appearance in Game Seven (5.1 innings, 5 hits, 2 earned runs, 1 walk and 5 strikeouts) to earn the victory after a pair of heartbreaking defeats in a starting role against the Jays.

Royals' ALCS Notes: The Royals and Los Angeles Dodgers are tied for the most LCS games played (27) ... the Royals, with a 12-15 record, already hold the LCS standard for most losses and are tied with the Pirates for most LCS lost (4) ... the Royals became the first A.L. West club to win an ALCS since 1980 when KC defeated New York ... the victory over the Blue Jays ended a four-year reign by the A.L. East (New York, 1981; Milwaukee, 1982; Baltimore, 1983; and, Detroit, 1984) ... the Royals have played host to more ALCS games (14) than any other club (Baltimore's Memorial Stadium has showcased 13 ALCS contests) ... the Royals lead their A.L. West compadres with six ALCS appearances (Oakland has appeared in five).

Royals' Training Staff

Highly respected Mickey Cobb is now in his 15th year on the Royals' training staff and his 9th as Kansas City's head trainer.

A Waycross, Ga. product and a Georgia Southern alumnus, Cobb has been responsible for the treatment, prevention and rehabilitation of injuries for the Royals since 1978. Prior to joining the parent club, Cobb served as trainer for the Royals' academy from October of 1971 until 1975 when he assumed training responsibilities for the Class triple-A Omaha Royals.

Chosen to the staff of the American League for the 1982 All-Star Game, Cobb is a master's degree holder from Indiana University and is a graduate of the University of Tennessee School of Medicine Continuing Education program for Sports Medicine.

Not limiting himself to on-the-field expertise, Cobb has written several books relating to athletic training and, more specifically, baseball training and injuries.

He and his wife, Linda, are the parents of two sons, Matt and Danny.

— — —

Youth and experience are a rare blend in athletic training, but both are qualities to Royals' assistant trainer Paul McGannon.

Now in his 10th season with the Royals' organization and 3rd campaign with the parent club, the 31-year old Kansas City product has served at all four minor league levels within the Royals' system.

A graduate of Rockhurst College in Kansas City, McGannon holds a master's degree in athletic training from Central Missouri State University.

He and his wife, Jessica, are the parents of one son, Paul, Jr.

Royals' Radio and Television Networks

The Royals will count on something old, something new, something borrowed and something blue in its radio and television coverage for 1986.

The something old and new is KMBZ Radio (AM-980) which will once again be the network affiliate for the Kansas City area after a three-year absence. KMBZ carried Royals' games from 1969-82.

The something blue is the loyal Royal blue of the more than 110 stations on the Royals Radio Network. Radio rights to Royals' games have been held by Stauffer Communications of Topeka, Kansas since 1981. WIBW Radio (AM-580) in Topeka serves as the Royals' flagship station. Headed by General Manager Bob Fromme and Stauffer Vice President for Broadcasting Jerry Holley, the Royals Radio Network will broadcast 15 spring training games and the entire 162-game regular-season schedule.

Again in 1986, the Royals Radio Network will be one of the largest in baseball in terms of number of stations and area of coverage (10 states).

The Royals Television Network for 1986 will be led, for the sixth consecutive year by WDAF-TV (Channel 4) in Kansas City. A total of 45 regular-season games will be televised by the Royals Television Network.

The something borrowed are the talents of play-by-play announcers Denny Matthews, Fred White and Denny Trease.

Denny Matthews will call the Royals action for the 18th season in 1986. The Illinois Wesleyan graduate was chosen from more than 300 applicants for the No. 2 announcer position prior to the Royals' initial season in 1969. Matthews took over the No. 1 job after the 1975 campaign. In addition to his work with the Royals, Matthews lent his baseball play-by-play skills to the CBS Radio Network during the 1982 World Series. Matthews is an avid collector of sports publications (media guides, game programs, yearbooks, etc.). He spends his winters playing semi-pro hockey. He is single.

Fred White will enter lucky year No. 13 with the Royals in 1986. The award-winning announcer has worked college basketball and football games for CBS, NBC, TVS, Raycom and ESPN. The Kansas State University graduate has been named Kansas Sportscaster-of-the-Year on numerous occasions. He and his wife Barb are the parents of one son, four-year-old Joe Brett.

Denny Trease will be the regular in the Royals' television booth for the sixth consecutive year in 1986. The University of Miami (Fla.) alum also handles sports assignments for WDAF-TV (Channel 4 in Kansas City). He spent seven seasons calling the action of the University of Kentucky football and basketball games. He and his wife Joyce are the parents of two children: Kristen and Chad.

Matthews and White will join Trease for television play-by-play as well.

Dennis Cryder, 3rd-year Royals' director of marketing and broadcasting, handles all Royals' radio and TV activities.

Project STAR

Project STAR (Students Taught Awareness and Resistance) is a comprehensive, community-wide drug and alcohol prevention program initiated by Mr. and Mrs. Ewing M. Kauffman. The project is funded by The Kauffman Foundation with support from Marion Laboratories, Inc. The project is designed to help young people in the greater Kansas City area develop an understanding of the consequences of drug abuse, identify influences which promote the use of drugs and alcohol, and develop the social skills necessary to resist those influences. Because students are influenced by many factors within their school environment, the project will focus on those major forces. However, students are influenced by their total environment, and that influence can be either positive or negative. By stimulating and coordinating the cooperative efforts of schools, various community agencies, parent groups, business and professional organizations and the media, Project STAR will help young people in the Kansas City area resist the many influences to become involved with drugs and alcohol.

John Tudor and Todd Worrell combined on an 8-hitter. The Cardinals turned a leadoff walk and a 1-out ground-out in the 3rd inning into their first run. A Cesar Cedeno run-scoring double in the 4th and then a misplayed line drive by Lonnie Smith into the final run in the top of the 9th. The Royals tried a suicide squeeze (Buddy Biancalana failed to connect) and Darryl Motley was out at the plate. They tried scoring Jim Sundberg from 3rd on a Steve Balboni pop-up, but Terry Pendleton made an over-the-shoulder catch and a perfect throw to the plate.

Charlie Leibrandt limited the Cardinals to 2 hits through the first 8 innings, but St. Louis struck for 4 runs in the top of the 9th to take a 2-0 lead in the Series. The Cardinals became the first team since the Yankees in the '39 Series to come back from a 2-0 deficit in the 9th inning. The Cards strung together a Series-record 3 doubles—the last of the 2 was Terry Pendleton's 2-out bases-loaded shot down the leftfield line. Leibrandt was literally 1 out away from victory.

Bret Saberhagen allowed a half-dozen singles en route to giving the Royals their long-awaited first victory of the Series. KC's offense broke out of its World Series lethargy with 11 hits, including a 2-run home run and a run-scoring double by Frank White after Lonnie Smith's 2-run double put the Royals ahead 2-0 in the 4th. White unloaded his 2-run round-tripper in the 5th, knocking out St. Louis starter Joaquin Andujar. Saberhagen survived a Cardinal rally in the first inning with the runners going from first and second on a full-count pitch to Jack Clark. Sabes threw a called third strike and Jim Sundberg threw out Willie McGee for an inning-ending double play.

Tito Landrum and Willie McGee each hit bases-empty home runs to back John Tudor's 2nd consecutive brilliant outing to give the Cards a nearly insurmountable 3-1 advantage in the best-of-7 Series. In addition to the home runs, KC starter Buddy Black was victimized by a squeeze play on a full-count to Tom Nieto who laid the bunt down scoring Terry Pendleton who had tripled. Tudor, meanwhile, was striking out George Brett and Lonnie Smith 2 times a piece. Tudor tossed but 106 pitches and became the first pitcher to hurl a World Series shutout since Baltimore's Scott McGregor in 1983.

Danny Jackson stuffed a cork in the Cardinals' offense and their celebration hopes with a 5-hitter and Willie Wilson keyed an early Royals' uprising to force the Series westward via 1-70 the Cardinals' only run came on a bloop double by Tommy Herr followed by a gapper by Jack Clark. D.J. retired the lead-off Cardinal in every inning and retired the Birds in order 5 times. Wilson fashioned a 2-run triple to highlight a 3-run 2nd inning and send Cardinal starter Bob Forsch to the showers. The St. Louis bullpen effectively shutdown the Royals until the 8th and 9th when KC scored single tallies.

For the first time in the '85 season (regular and post), the St. Louis Cardinals did not win a game when they led entering the 9th inning. Former Cardinal Dane long saw to that. St. Louis went into the 9th with a 1-0 lead thanks to a bloop run-scoring single by Brian Harper in the 8th having guarded all of their previous 88 9th inning leads, the Cardinals fell prey to a little bit of fate and long's timely 2-run single a controversial call at first base, a mis-played pop-up by Jack Clark, a botched bunt by Jim Sundberg, a passed ball by Darrell Porter, an intentional walk to Hal McRae and long's 1-out dramatic hit to rightfield and the Royals were winners 2-1.

1980 World Series Review

The first World Series in Kansas City history matched the Royals against the Philadelphia Phillies, who put on a storybook surge to capture their first National League pennant since 1950. The Phillies claimed the World Championship in 6 games, using wins in the opening 2 contests at Philadelphia to jump to a commanding advantage. The Royals then edged the Phillies 2 straight at Kansas City to even the matchup after 4 games, but the National League club rallied for a pair of runs in the final frame of Game #5 at Royals Stadium to record a 4-3 triumph that ended the Royals' hopes. The showdown returned to Veterans Stadium for Game #6 and the Phils secured the title in front of the home fans with a 4-1 verdict in the final game. In an exciting series spiced by several outstanding individual performances, Willie Aikens blasted 4 homers while hitting .400 and Amos Otis supplied a .478 clip with 3 homers in leading KC's offensive showing.

ROYALS FARM SYSTEM OVERALL 1985 RECORD:

Art Stewart

Director of Scouting & Player Development

Responsible for the discovery and subsequent signing of several current and future Kansas City Royals players, Art Stewart assumes the dual responsibilities of Director of Scouting and Player Development for 1986.

The 58-year old Chicagoan served as Director of Scouting in '85 after 15 years of covering the midwest as a Royals' scout. Stewart was named to his newest position, November 1, 1985. He will supervise the Royals' minor league and scouting efforts.

An integral part of what is generally regarded as one of the most successful organizations in baseball, Stewart received the initial Ewing M. Kauffman Scouting Award in 1970. He won the same award in 1983. Honored for "Meritorious Service to the Chicago Public High School Baseball League" in 1979, Stewart served as a scout in the New York Yankees system for 17 years prior to joining the Royals as a scout in 1970.

He and his wife, Donna, have one daughter, Dawn.

Dean Taylor

Assitant to General Manager

Dean Taylor continues his climb up the Royals' organizational ladder with his November 1, 1985 promotion to Assistant to General Manager.

The 34-year old Eugene, Ore. product, has served in the capacities of Assistant Director of Scouting and Player Development and Administrative Assistant for Minor League Operations since joining the Royals' front office in 1980. He was a general manager in the minor leagues for five seasons prior to joining the Royals.

A 1975 graduate of the Ohio University sports administration program, Taylor will assist Royals' Executive Vice President and General Manager John Schuerholz in matters relating to the major league club and scouting department.

Taylor's wife's name is Susan.

Rick Mathews

Assistant Director of Player Development

Versatility and Rick Mathews go hand-in-hand.

A field manager in the Royals' farm system from 1981-84, the 38-year old Centerville, Iowa, native joined the KC front-office staff in 1985 as Administrative Assistant in Player Development. He was promoted to Assistant Director of Player Development, November 1, 1985.

Mathews' most successful season as skipper occurred in 1983 at Fort Myers, Fla. (A). He guided the Royals' Florida State League affiliate to a first-half title and a 74-53 overall record. He also managed at Charleston, S.C. (A) in 1981, Fort Myers (1982-83), and Memphis, Tenn. (AA) in 1984. A three-time District Coach-of-the-Year at Iowa Western CC, Mathews joined the Royals in 1980 as a minor league instructor.

A graduate of Drake University, Mathews was a member of the Bulldogs' pitching staff. He earned a master's degree from Northeast Missouri State.

He and his wife Mary have two children: Jonathan and Sarah.
